Re: Chambliss for Senate April Quarterly Report (1/01/05 – 3/31/05)

Dear Ms. Balderama:

This letter is in response to your letter of June 16, 2005 regarding the April Quarterly Chambliss for Senate FEC report. In this letter we are asked to correct the discrepancy in the aggregate total for American Maritime Officers Voluntary PAC and report any additional contributions from them during this election cycle. The contribution of \$2,500 made by them to Chambliss for Senate on March 15, 2005 and reported in this Quarterly Report is the first we have received from them in this election cycle. Their last contribution to Chambliss for Senate was made in November 2002 for the 2002 General Election and was for \$2,000. It was deposited after the Election Day and was reported in the Year End Report for 2002.

Thus it has come to our attention that the \$2,000 contribution made in November 2002 is being added in to the aggregate total for this cycle and is responsible for the inflated election cycle-to-date total for American Maritime Officers Voluntary PAC. This is an error created by the software that we use to generate our reports. Chambliss for Senate has reported all contributions in good faith and by the laws set forth by the FEC.

Thank you for your attention in this matter and please call me if you have additional questions regarding this filing.

Sincerely,

Elizabeth B. Barton
